Dear Sir:

Enclosed please find an agenda for the Freedom of Information Act Conference which we are holding on September 22, 1972 at 9:30 A.M. in the Colonial Room of the Mayflower Hotel, Washington, D.C. This conference has been called so that there can be an interchange among the agency personnel responsible for the implementation of the Freedom of Information Act and members of private and public interest bars. The conference shall deal with a discussion of the problems facing the agencies and the public in connection with access to information. Proposed administrative reforms shall also be presented for discussion.

The agenda sets forth the names of speakers and discussion topics. The purpose of the conference is to exchange ideas among the people attending as well as among the named panelists. It is, therefore, hoped that there will be active floor participation throughout the conference.

If you or a representative of your agency have not yet contacted us indicating who from your agency will attend, please do so as soon as possible.

Very truly yours,

Ronald L. Plessner
